

## Showcasing the Transformative Impact of Shared Education

Last year's pre- and post-surveys gave us important insights into the PEACEPLUS ASPIRE journey in schools. They highlighted the difference the project is making in classrooms and communities, and helped us share the transformative impact and value of shared education.

This year, we would like to build on that evidence and **capture the voices and experiences of young people and staff involved in PEACEPLUS ASPIRE** throughout the entire year. Let's look at how you can highlight why shared education matters for pupils, staff, and communities.

**Click the relevant survey link to complete the form (survey link in title)**

1. [School Staff Survey](#) – for staff to share their own views and experiences.
2. [Primary Pupil Survey \(Ages 4–7\)](#) – to be completed with pupils.
3. [Primary Pupil Survey \(Ages 8–11\)](#) – to be completed with pupils.
4. [Post-Primary Pupil Survey](#) – to be completed with pupils.

**How to Complete the Surveys:**

- Complete the relevant survey(s) at the start of the year.
- For pupil surveys, guide your class through the questions.
- Each form includes step-by-step instructions for each section.
- At the end, click “Save Your Responses” to download and save for your school records.

As a DEIS school, some of our pupils would never get to experience some of the activities provided for them. This project gave them a chance to be on a level with their peers.

## Why Contribute?

- Helps us showcase pupils' voices and experiences.
- Provide evidence of the transformative value of shared education.
- Your input helps us create impact stories that showcase the inspiring work in your school.
- To provide feedback and insights to schools, supporting reflection on the year.
- Post-surveys will highlight the changes from start to finish, giving a full picture of your experience.

**If you have a particular event or activity you would like us to attend, please let us know as soon as possible. This will give us enough time to plan attendance at any scheduled activities. You can share proposed dates and activities with your assigned Development Officer.**

# Let's take a look back on reflections from Year 1!

“

The most enjoyable part of the project was to get positive feedback from parents about the project, where they have met the families from our partner school while in the community.

- Educator speaking on PEACEPLUS ASPIRE

“

I really enjoyed meeting new people and building new relationships - I made lots of friends.

- Young person speaking on PEACEPLUS ASPIRE

“

PEACEPLUS ASPIRE helped me feel very much included in my community.

- Young person speaking on PEACEPLUS ASPIRE

“

Being able to share education with another class and teacher, and to watch new friendships between the children blossom each week, was just fantastic.
